

CIVIL ENGINEERING CHALLENGES IN CLIMATE CHANGE

Surabaya

15th – 16th October 2025

**HYBRID SESSION
AVAILABLE**

Keynote Speakers

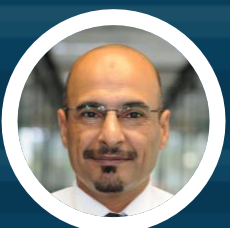

Prof. Gene Jiing-Yun You
National Taiwan University

Prof. Ryuji Kakimoto
Kumamoto University

Assoc. Prof. Ali Dastgheib
IHE Delft

Assoc. Prof. Mohammed Bashar
Universiti Teknologi PETRONAS

Prof. Hidajat Sugihardjo
Institut Teknologi Sepuluh Nopember

Prof. Herman Wahyudi
Institut Teknologi Sepuluh Nopember

Conference Sub-Theme

- Structural Engineering
- Geotechnical Engineering
- Construction Project Management
- Water Resources Engineering & Management
- Transportation Management & Engineering
- Infrastructure Asset Management
- Construction Material Technology
- Disaster Risk Management
- Related Topics

Important Dates

- Call of paper : January 27th, 2025
- Due date : July 15th, 2025 (**Extended**)
- Abstract acceptance : July 16th, 2025 (**Extended**)
- Full paper : July 30th, 2025
- Full paper revision : August 29th, 2025
- Registration : July 25th, 2025 (early bird)
October 3rd, 2025 (latest)
